Re: Application of Tytan-Up Moving & Delivering Services, LLC for a Class E
(Household Goods) Certificate of Public Convenience and Necessity for Operation
of a Motor Vehicle Carrier
Docket No. 2021-325-T

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in the above referenced docket. ORS reviewed the Application of Tytan-Up Moving & Delivering Services, LLC (the "Company") in this docket and conducted an inspection of the Company's records and equipment. Based on this inspection and review, ORS is of the opinion that the Company will meet the requirements of fit, willing and able as required of a Household Goods Mover under the provisions of S.C. Code Ann. Regs. 103-133.

Should the Company prove to the Public Service Commission of South Carolina ("Commission") that it meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Company will have complied with all applicable Statutes, Regulations and any conditions of the Commission Order prior to the issuance of such Certificate.

ORS reserves the right to alter its position should a material change occur with the Application after the filing of this letter. Thank you for your consideration in this matter.

Sincerely,

Donna L. Rhaney
